- Finding Movement through Meditation Workshops
- Open Rehearsal Residencies w/ Community

20%

Our Audience are individuals and groups interested in creative curation, choreographic consulting, creative experiences, meditation, team building workshops, production, merchandising, and movement-based techniques. Our outreach expands to youth and families in the greater Brooklyn borough, East New York, and New York City as a whole.

Project.KB is committed to being an eco-conscious organization and building its community through sustainable and safe working environments.
